

Names of Azure Active Directory

From October 23, 2023

- Microsoft Entra ID is the new name for Azure AD.
- The names Azure Active Directory, Azure AD and AAD are replaced with Microsoft Entra ID.
- Microsoft is the name for the product family of identity and network access solutions.
- Acronym usage is not encouraged, but if you must replace AAD with an

acronym due to space limitations, use ME-ID.

- Microsoft has renamed Azure Active Directory (Azure AD) to Microsoft Entra ID to alleviate confusion with Windows server Active Directory.

Govern Resources in Azure

- Governance is the process to maintain control over your applications and resources in Azure.
- Governances involves determining your requirements, planning your initiatives, and setting strategic principles.

- Create a governance plan that outlines your initiatives and strategic principles. This plan should include policies, standards, and best practices to ensure consistent and efficient management of your Azure resources
